(5) A peer review process will be used to review and evaluate projects under this paragraph (e) for grants, contracts, or cooperative agreements that exceed \$500,000, and to designate exemplary and promising programs.

(f) *Termination.* Each grant, cooperative agreement, or contract terminates as indicated in the terms of the agreement or when the period of performance has expired. The grants and cooperative agreements must be closed in accordance with the closeout provisions

at 2 CFR 200.343 and 2 CFR part 2900 as applicable.

§ 683.110 What is the period of performance of Workforce Innovation and Opportunity Act title I and Wagner-Peyser Act funds?

(a) The statutory period of availability for expenditure for WIOA title I grants will be established as the period of performance for such grants unless otherwise provided in the grant agreement or cooperative agreement. All funds must be fully expended by the expiration of the period of performance or they risk losing their availability. Unless otherwise authorized in a grant or cooperative agreement or subsequent modification, recipients must expend funds with the shortest period of availability first.

(2) Funds which are not expended by a local area(s) in the 2-year period described in paragraph (c)(1)(i) of this section, must be returned to the State. Funds so returned are available for expenditure by State and local recipients and subrecipients only during the third program year of availability in accordance with WIOA secs. 128(c) and 132(c). These funds are available for only the following purposes:

(i) For statewide projects; or

(ii) For distribution to local areas which had fully expended their allocation of funds for the same program year within the 2-year period.

§ 683.115 What planning information must a State submit in order to receive a formula grant?

Each State seeking financial assistance under subtitle B, chapter 2 (youth) or chapter 3 (adults and dislocated workers), of title I of WIOA, or under the Wagner-Peyser Act must submit a Unified State Plan under sec. 102 of WIOA or a Combined State Plan under WIOA sec. 103. The requirements for the plan content and the plan review process are described in secs. 102 and 103 of WIOA, sec. 8 of Wagner-Peyser Act, and §§ 676.100 through 676.145 of this chapter and §§ 652.211 through 652.214 of this chapter.

§ 683.120 How are Workforce Innovation and Opportunity Act title I formula funds allocated to local areas?

(a) *General.* The Governor must allocate WIOA formula funds allotted for services to youth, adults and dislocated

workers in accordance with secs. 128 and 133 of WIOA and this section.

(1) State WDBs must assist Governors in the development of any youth or adult discretionary within-State allocation formulas.

(2) Within-State allocations must be made:

(i) In accordance with the allocation formulas contained in secs. 128(b) and 133(b) of WIOA and in the State Plan;

(ii) After consultation with chief elected officials and Local WDBs in each of the local areas; and

(iii) In accordance with sec. 182(e) of WIOA, available to local areas not later than 30 days after the date funds are made available to the State or 7 days after the date the local plan for the area is approved, whichever is later.

(b) *State reserve.* Of the WIOA formula funds allotted for services to youth, adults and dislocated workers, the Governor must reserve not more than 15 percent of the funds from each of these sources to carry out statewide activities. Funds reserved under this paragraph may be combined and spent on statewide activities under WIOA sec. 129(b) and statewide employment and training activities under WIOA sec. 134(a), for adults and dislocated workers, and youth activities, as described in §§ 682.200 and 682.210 of this chapter, without regard to the funding source of the reserved funds.

(c) *Youth allocation formula.* (1) Unless the Governor elects to distribute funds in accordance with the discretionary allocation formula described in paragraph (c)(2) of this section, the remainder of youth funds not reserved under paragraph (b) of this section must be allocated:

(i) 33⅓ percent on the basis of the relative number of unemployed individuals in areas of substantial unemployment in each local area, compared to the total number of unemployed individuals in all areas of substantial unemployment in the State;

(ii) 33⅓ percent on the basis of the relative excess number of unemployed individuals in each local area, compared to the total excess number of unemployed individuals in the State; and

(iii) 33⅓ percent on the basis of the relative number of disadvantaged

youth in each local area, compared to the total number of disadvantaged youth in the State except for local areas as described in sec. 107(c)(1)(C) of WIOA where the allotment must be based on the greater of either the number of individuals aged 16 to 21 in families with an income below the low-income level for the area or the number of disadvantaged youth in the area.

(2) *Discretionary youth allocation formula.* In lieu of making the formula allocation described in paragraph (c)(1) of this section, the State may allocate youth funds under a discretionary formula. Under this discretionary formula, the State must allocate a minimum of 70 percent of youth funds not reserved under paragraph (b) of this section on the basis of the formula in paragraph (c)(1) of this section, and may allocate up to 30 percent on the basis of a formula that:

(i) Incorporates additional factors (other than the factors described in paragraph (c)(1) of this section) relating to:

(A) Excess youth poverty in urban, rural and suburban local areas; and

(B) Excess unemployment above the State average in urban, rural and suburban local areas; and

(ii) Was developed by the State WDB and approved by the Secretary of Labor as part of the State Plan.

(d) *Adult allocation formula.* (1) Unless the Governor elects to distribute funds in accordance with the discretionary allocation formula described in paragraph (d)(2) of this section, the remainder of adult funds not reserved under paragraph (b) of this section must be allocated:

(i) 33⅓ percent on the basis of the relative number of unemployed individuals in areas of substantial unemployment in each local area, compared to the total number of unemployed individuals in areas of substantial unemployment in the State;

(ii) 33⅓ percent on the basis of the relative excess number of unemployed individuals in each local area, compared to the total excess number of unemployed individuals in the State; and

(iii) 33⅓ percent on the basis of the relative number of disadvantaged adults in each local area, compared to the total number of disadvantaged

adults in the State. Except for local areas as described in sec. 107(c)(1)(C) of WIOA where the allotment must be based on the higher of either the number of adults with an income below the low-income level for the area or the number of disadvantaged adults in the area.

(2) *Discretionary adult allocation formula.* In lieu of making the formula allocation described in paragraph (d)(1) of this section, the State may allocate adult funds under a discretionary formula. Under this discretionary formula, the State must allocate a minimum of 70 percent of adult funds not reserved under paragraph (b) of this section on the basis of the formula in paragraph (d)(1), and may allocate up to 30 percent on the basis of a formula that:

(i) Incorporates additional factors (other than the factors described in paragraph (d)(1) of this section) relating to:

(A) Excess poverty in urban, rural and suburban local areas; and

(B) Excess unemployment above the State average in urban, rural and suburban local areas; and

(ii) Was developed by the State WDB and approved by the Secretary of Labor as part of the State Plan.

(e) *Dislocated worker allocation formula.* (1) The remainder of dislocated worker funds not reserved under paragraph (b) of this section must be allocated on the basis of a formula prescribed by the Governor that distributes funds in a manner that addresses the State's dislocated worker needs. Funds so distributed must not be less than 60 percent of the State's formula allotment.

(2) The Governor's dislocated worker formula must use the most appropriate information available to the Governor, including information on:

(i) Insured unemployment data;

(ii) Unemployment concentrations;

(iii) Plant closings and mass layoff data;

(iv) Declining industries data;

(v) Farmer-rancher economic hardship data; and

(vi) Long-term unemployment data.

(3) The Governor may not amend the dislocated worker formula more than once for any program year.

(f) *Rapid response.* (1) Of the WIOA formula funds allotted for services to dislocated workers in sec. 132(b)(2)(B) of WIOA, the Governor must reserve not more than 25 percent of the funds for statewide rapid response activities described in WIOA sec. 134(a)(2)(A) and §§ 682.300 through 682.370 of this chapter.

(2) *Unobligated funds.* Funds reserved by a Governor for rapid response activities under sec. 133(a)(2) of WIOA, and sec. 133(a)(2) of the Workforce Investment Act (as in effect on the day before the date of enactment of WIOA), to carry out sec. 134(a)(2)(A) of WIOA that remain unobligated after the first program year for which the funds were allotted, may be used by the Governor to carry out statewide activities authorized under paragraph (b) of this section and §§ 682.200 and 682.210 of this chapter.

(g) *Special rule.* For the purpose of the formula in paragraphs (c)(1) and (d)(1) of this section, the State must, as appropriate and to the extent practicable, exclude college students and members of the Armed Forces from the determination of the number of disadvantaged youth and disadvantaged adults.

§ 683.125 What minimum funding provisions apply to Workforce Innovation and Opportunity Act adult, dislocated worker, and youth allocations?

(a) For funding authorized by secs. 128(b)(2), 133(b)(2)(A), and 133(b)(2)(B) of WIOA, which are youth, adult, and dislocated worker funds, a local area must not receive an allocation percentage for a fiscal year that is less than 90 percent of the average allocation percentage of the local area for the 2 preceding fiscal years.

(b) The Department's annual fiscal year appropriation provides funding for programs and activities described in paragraph (a) of this section under separate appropriations with various periods of availability. These periods of availability are described in § 683.100 as a program year. A program year for funds allocated under secs. 133(b)(2)(A) and 133(b)(2)(B) of WIOA begins on July 1 in the fiscal year for which the appropriation is made and ends on June 30 of the following year. A program year for funds available under WIOA sec.

128(b)(2) is available from April 1 of the fiscal year in which the appropriation is made and ends on June 30 of the following year. Therefore, when grantees are calculating the minimum funding percentage they must do so on a program year basis.

(c) When a new local area is designated under sec. 106 of WIOA the State must develop a methodology to apply the minimum funding provision specified in paragraph (a) of this section to local area allocations of WIOA youth, adult, and dislocated worker funds.

(d) Amounts necessary to increase allocations to local areas to comply with paragraph (a) of this section must be obtained by ratably reducing the allocations to be made to other local areas.

(e) If the amounts of WIOA funds appropriated in a fiscal year are not sufficient to provide the amount specified in paragraph (a) of this section to all local areas, the amounts allocated to each local area must be ratably reduced.

§ 683.130 Does a Local Workforce Development Board have the authority to transfer funds between the adult employment and training activities allocation and the dislocated worker employment and training activities allocation?

(a) A Local WDB may transfer up to 100 percent of a program year allocation for adult employment and training activities, and up to 100 percent of a program year allocation for dislocated worker employment and training activities between the two programs.

(b) Local WDBs may not transfer funds to or from the youth program.

(c) Before making any transfer described in paragraph (a) of this section, a Local WDB must obtain the Governor's written approval. The Governor's written approval must be based on criteria or factors that the Governor must establish in a written policy, such as the State Unified or Combined Plan or other written policy.

§ 683.135 What reallocation procedures does the Secretary use?

(a) The Secretary determines, during the second quarter of each program year, whether a State has obligated its required level of at least 80 percent of

§ 683.140

the funds allotted under secs. 127 and 132 of WIOA for programs serving youth, adults, and dislocated workers for the prior program year, as separately determined for each of the three funding streams. The amount to be recaptured from each State for reallocation, if any, is based on State obligations of the funds allotted to each State under secs. 127 and 132 of WIOA for programs serving youth, adults, or dislocated workers, less any amount reserved (up to five percent at the State level) for the costs of administration. The recapture amount, if any, is separately determined for each funding stream.

(b) The Secretary reallocates youth, adult and dislocated worker funds among eligible States in accordance with the provisions of secs. 127(c) and 132(c) of WIOA, respectively. To be eligible to receive a reallocation of youth, adult, or dislocated worker funds under the reallocation procedures, a State must have obligated at least 80 percent of the prior program year's allotment, less any amount reserved for the costs of administration at the State level of youth, adult, or dislocated worker funds. A State's eligibility to receive a reallocation is separately determined for each funding stream.

(c) The term "obligation" is defined at 2 CFR 200.71.

(d) Obligations must be reported on the required Department of Labor (the Department) financial form, such as the ETA-9130 form, unless otherwise noted in guidance.

§ 683.140 What reallocation procedures must the Governors use?

(a) The Governor, after consultation with the State WDB, may reallocate youth, adult, and dislocated worker funds among local areas within the State in accordance with the provisions of secs. 128(c) and 133(c) of WIOA. If the Governor chooses to reallocate funds, the provisions in paragraphs (b) and (c) of this section apply.

(b) For the youth, adult and dislocated worker programs, the amount to be recaptured from each local area for purposes of reallocation, if any, must be based on the amount by which the prior year's unobligated balance of allocated funds exceeds 20 percent of

20 CFR Ch. V (4-1-21 Edition)

that year's allocation for the program, less any amount reserved (up to 10 percent) for the costs of administration. Unobligated balances must be determined based on allocations adjusted for any allowable transfer between funding streams. The amount to be recaptured, if any, must be separately determined for each funding stream. The term "obligation" is defined at 2 CFR 200.71.

(c) To be eligible to receive youth, adult or dislocated worker funds under the reallocation procedures, a local area must have obligated at least 80 percent of the prior program year's allocation, less any amount reserved (up to 10 percent) for the costs of administration, for youth, adult, or dislocated worker activities, as separately determined. A local area's eligibility to receive a reallocation must be separately determined for each funding stream.

§ 683.145 What merit review and risk assessment does the Department conduct for Federal financial assistance awards made under Workforce Innovation and Opportunity Act title I, subtitle D?

(a) For competitive awards, the Department will design and execute a merit review process for applications as prescribed under 2 CFR 200.204 when issuing Federal financial assistance awards made under WIOA title I, subtitle D. This process will be described in the applicable funding opportunity announcement.

(b) Prior to issuing a Federal financial assistance award under WIOA title I, subtitle D, the Department will conduct a risk assessment to assess the organization's overall ability to administer Federal funds as required under 2 CFR 200.205. As part of this assessment, the Department may consider any information that has come to its attention and will consider the organization's history with regard to the management of other grants, including Department of Labor grants.

(c) In evaluating risks posed by applicants, the Department will consider the following:

- (1) Financial stability;
- (2) Quality of management systems and ability to meet the management standards prescribed in this part;
- (3) History of performance. The applicant's record in managing Federal

awards, if it is a prior recipient of Federal awards, including timeliness of compliance with applicable reporting requirements, conformance to the terms and conditions of previous Federal awards, and if applicable, the extent to which any previously awarded amounts will be expended prior to future awards;

(4) Reports and findings from audits; and

(5) The applicant's ability to implement effectively statutory, regulatory, or other requirements imposed on non-Federal entities.

§ 683.150 What closeout requirements apply to grants funded with Workforce Innovation and Opportunity Act title I and Wagner-Peyser Act funds?

(a) After the expiration of the period of performance, the Department will closeout the Federal award when it determines that all applicable administrative actions and all required work of the Federal award have been completed by the grant recipient. This section specifies the actions the grant recipient and the Department must take to complete this process.

(1) The grant recipient must submit, no later than 90 calendar days after the end date of the period of performance, all financial, performance, and other reports as required by the terms and conditions of the Federal award.

(2) The Department may approve extensions when requested by the grant recipient.

(b) Unless otherwise noted in the terms and conditions of the award or an extension, grant recipients must comply with 2 CFR 200.343(b) and 2900.15 in regards to closeout.

(c) The Department must make prompt payments to the grant recipient for allowable reimbursable costs under the Federal award being closed out.

(d) The grant recipient must promptly refund any balances of unobligated cash that the Department paid in advance or paid and that is not authorized to be retained by the grant recipient. See Office of Management and Budget Circular A-129, 2 CFR 200.345, and 2 CFR part 2900 for requirements regarding unreturned amounts that become delinquent debts.

(j) Grant recipients that award WIOA funds to subrecipients must institute a timely closeout process after the end of performance to ensure a timely closeout in accordance with 2 CFR 200.343 and 200.344.

Subpart B—Administrative Rules, Costs, and Limitations

§ 683.200 What general fiscal and administrative rules apply to the use of Workforce Innovation and Opportunity Act title I and Wagner-Peyser Act funds?

(a) *Uniform Guidance.* Recipients and subrecipients of a Federal award under

title I of WIOA and the Wagner-Peyser Act must follow the Uniform Guidance at 2 CFR parts 200, 215, 225, 230, including any exceptions identified by the Department at 2 CFR part 2900.

(1) Commercial organizations, for-profit entities, and foreign entities that are recipients and subrecipients of a Federal award must adhere to 2 CFR part 200, including any exceptions identified by the Department under 2 CFR part 2900;

(2) Commercial organizations, for-profit entities, and foreign entities that are contractors or subcontractors must adhere to the Federal Acquisition Regulations (FAR), including 48 CFR part 31.

(b) *Allowable costs and cost principles.*

(1) Recipients and subrecipients of a Federal award under title I of WIOA and the Wagner-Peyser Act must follow the cost principles at subpart E and appendices III through IX of 2 CFR part 200, including any exceptions identified by the Department at 2 CFR part 2900.

(2) Unless specified in the grant agreement, for those items requiring prior approval in the Uniform Guidance (*e.g.*, selected items of cost, budget realignment), the authority to grant or deny approval is delegated to the Governor for programs funded under sec. 127 or 132 of WIOA or under the Wagner-Peyser Act.

(3) Costs of workforce councils, advisory councils, Native American Employment and Training Councils, and Local WDB committees established under title I of WIOA are allowable.

(c) *Uniform administrative requirements.* (1) Except as provided in paragraphs (c)(3) through (6) of this section, all recipients and subrecipients of a Federal award under title I of WIOA and under the Wagner-Peyser Act must follow 2 CFR part 200, including any exceptions identified by the Department at 2 CFR part 2900.

(2) Unless otherwise specified in the grant agreement, expenditures must be reported on accrual basis.

(3) In accordance with the requirements at 2 CFR 200.400(g), subrecipients may not earn or keep any profit resulting from Federal financial assistance, unless expressly authorized by the

terms and conditions of the Federal award.

(4) In addition to the requirements at 2 CFR 200.317 through 200.326 (as appropriate), all procurement contracts between Local WDBs and units of State or local governments must be conducted only on a cost reimbursement basis.

(5) In addition to the requirements at 2 CFR 200.318, which address codes of conduct and conflict of interest the following applies:

(i) A State WDB member, Local WDB member, or WDB standing committee member must neither cast a vote on, nor participate in any decision-making capacity, on the provision of services by such member (or any organization which that member directly represents), nor on any matter which would provide any direct financial benefit to that member or that member's immediate family.

(ii) Neither membership on the State WDB, the Local WDB, or a WDB standing committee, nor the receipt of WIOA funds to provide training and related services, by itself, violates these conflict of interest provisions.

(iii) In accordance with the requirements at 2 CFR 200.112, recipients of Federal awards must disclose in writing any potential conflict of interest to the Department. Subrecipients must disclose in writing any potential conflict of interest to the recipient of grant funds.

(6) The addition method, described at 2 CFR 200.307, must be used for all program income earned under title I of WIOA and Wagner-Peyser Act grants. When the cost of generating program income has been charged to the program, the gross amount earned must be added to the program in which it was earned. However, the cost of generating program income must be subtracted from the amount earned to establish the net amount of program income available for use under the grants when these costs have not been charged to the program.

(7) Any excess of revenue over costs incurred for services provided by a governmental or non-profit entity must be included in program income.

(8) Interest income earned on funds received under title I of WIOA and the

Wagner-Peyser Act must be included in program income.

(9) On a fee-for-service basis, employers may use local area services, facilities, or equipment funded under title I of WIOA to provide employment and training activities to incumbent workers:

(i) When the services, facilities, or equipment are not being used by eligible participants;

(ii) If their use does not affect the ability of eligible participants to use the services, facilities, or equipment; and

(iii) If the income generated from such fees is used to carry out programs authorized under this title.

(d) *Government-wide debarment and suspension, and government-wide drug-free workplace requirements.* All WIOA title I and Wagner-Peyser Act grant recipients and subrecipients must comply with the government-wide requirements for debarment and suspension, and the government-wide requirements for a drug-free workplace in accordance with the Drug-Free Workplace Act of 1988, 41 U.S.C. 8103 *et seq.*, and 2 CFR part 182.

(e) *Restrictions on lobbying.* All WIOA title I and Wagner-Peyser grant recipients and subrecipients must comply with the restrictions on lobbying specified in WIOA sec. 195 and codified in the Department regulations at 29 CFR part 93.

(f) *Buy-American.* As stated in sec. 502 of WIOA, all funds authorized in title I of WIOA and the Wagner-Peyser Act must be expended in compliance with secs. 8301 through 8303 of the Buy American Act (41 U.S.C. 8301–8305).

(g) *Nepotism.* (1) No individual may be placed in a WIOA employment activity if a member of that person's immediate family is directly supervised by or directly supervises that individual.

(2) To the extent that an applicable State or local legal requirement regarding nepotism is more restrictive than this provision, such State or local requirement must be followed.

(h) *Mandatory disclosures.* All WIOA title I and Wagner-Peyser Act recipients of Federal awards must disclose as required at 2 CFR 200.113, in a timely manner, in writing to the Federal awarding agency or pass-through enti-

ty all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award. Failure to make required disclosures can result in any of the remedies described in 2 CFR 200.338 (Remedies for noncompliance), including suspension or debarment.

§ 683.205 What administrative cost limitations apply to Workforce Innovation and Opportunity Act title I grants?

(a) *State formula grants.* (1) As part of the 15 percent that a State may reserve for statewide activities, the State may spend up to 5 percent of the amount allotted under secs. 127(b)(1), 132(b)(1), and 132(b)(2) of WIOA for the administrative costs of statewide activities.

(2) Local area expenditures for administrative purposes under WIOA formula grants are limited to no more than 10 percent of the amount allocated to the local area under secs. 128(b) and 133(b) of WIOA.

(3) The 5 percent reserved for statewide administrative costs and the 10 percent reserved for local administrative costs may be used for administrative costs for any of the statewide youth workforce investment activities or statewide employment and training activities under secs. 127(b)(1), 128(b), 132(b), and 133(b) of WIOA.

(4) In a one-stop environment, administrative costs borne by other sources of funds, such as the Wagner-Peyser Act, are not included in the administrative cost limit calculation. Each program's administrative activities are chargeable to its own grant and subject to its own administrative cost limitations.

(5) Costs of negotiating a MOU or infrastructure funding agreement under title I of WIOA are excluded from the administrative cost limitations.

(b) *Discretionary grants.* Limits on administrative costs, if any, for programs operated under subtitle D of title I of WIOA will be identified in the grant or cooperative agreement.

§ 683.210 What audit requirements apply to the use of Workforce Innovation and Opportunity Act title I and Wagner-Peyser Act funds?

All recipients of WIOA title I and Wagner-Peyser Act funds that expend

more than the minimum amounts specified in 2 CFR part 200, subpart F, in Federal awards during their fiscal year must have a program specific or single audit conducted in accordance with 2 CFR part 200, subpart F.

(a) *Commercial or for-profit.* Grant recipients and subrecipients of title I and Wagner-Peyser Act funds that are commercial or for-profit entities must adhere to the requirements contained in 2 CFR part 200, subpart F.

(b) *Subrecipients and contractors.* An auditee may simultaneously be a recipient, a subrecipient, and a contractor depending on the substance of its agreements with Federal awarding agencies and pass-through entities. Federal awards expended as a recipient or subrecipient are subject to audit requirements under 2 CFR part 200, subpart F.

(c) *Contractors.* The payments received for goods or services provided as a contractor are not Federal awards. Subrecipient and contractor determinations made under 2 CFR 200.330 must be considered in determining whether payments constitute a Federal award or a payment for goods and services provided as a contractor.

§ 683.215 What Workforce Innovation and Opportunity Act title I functions and activities constitute the costs of administration subject to the administrative cost limitation?

(a) The costs of administration are expenditures incurred by State and Local WDBs, Regions, direct grant recipients, including State grant recipients under subtitle B of title I of WIOA, and recipients of awards under subtitle D of title I, as well as local grant recipients, local grant subrecipients, local fiscal agents and one-stop operators that are associated with those specific functions identified in paragraph (b) of this section and which are not related to the direct provision of workforce investment services, including services to participants and employers. (3) Specific costs charged to an overhead or indirect cost pool that can be identified directly as a program cost are to be charged as a program cost. Documentation of such charges must be maintained.

(4) Except as provided at paragraph (c)(1) of this section, all costs incurred for functions and activities of subrecipients, other than those subrecipients listed in paragraph (a) of this section, and contractors are program costs.

(5) Continuous improvement activities are charged to administration or program category based on the purpose or nature of the activity to be improved. Documentation of such charges must be maintained.

§ 683.220 What are the internal controls requirements for recipients and subrecipients of Workforce Innovation and Opportunity Act title I and Wagner-Peyser Act funds?

(a) Recipients and subrecipients of WIOA title I and Wagner-Peyser Act funds must have an internal control structure and written policies in place that provide safeguards to protect personally identifiable information, records, contracts, grant funds, equipment, sensitive information, tangible items, and other information that is readily or easily exchanged in the open market, or that the Department or the recipient or subrecipient considers to

be sensitive, consistent with applicable Federal, State and local privacy and confidentiality laws. Internal controls also must include reasonable assurance that the entity is:

(1) Managing the award in compliance with Federal statutes, regulations, and the terms and conditions of the Federal award;

(2) Complying with Federal statutes, regulations, and the terms and conditions of the Federal awards;

(3) Evaluating and monitoring the recipient's and subrecipient's compliance with WIOA, regulations and the terms and conditions of Federal awards; and

(4) Taking prompt action when instances of noncompliance are identified.

(b) Internal controls should be in compliance with the guidance in "Standards for Internal Control in the Federal Government" issued by the Comptroller General of the United States and the "Internal Control Integrated Framework", issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO). See 2 CFR 200.303.

The requirements relating to the enforcement of the Military Selective Service Act are found at WIOA sec. 189(h).

§ 683.230 Are there special rules that apply to veterans when income is a factor in eligibility determinations?

Yes, under 38 U.S.C. 4213, when past income is an eligibility determinant for Federal employment or training programs, any amounts received as military pay or allowances by any person who served on active duty, and certain other specified benefits must be disregarded for the veteran and for other individuals for whom those amounts would normally be applied in making an eligibility determination. This applies when determining if a person is a "low-income individual" for eligibility purposes (for example, in the WIOA youth, or NFJP programs). Also, it applies when income is used as a factor when a local area provides priority of service for "low-income individuals"

§ 683.235

with title I WIOA funds (*see* §§ 680.600 and 680.650 of this chapter). A veteran must still meet each program's eligibility criteria to receive services under the respective employment and training program.

§ 683.235 May Workforce Innovation and Opportunity Act title I funds be spent for construction?

WIOA title I funds must not be spent on construction, purchase of facilities or buildings, or other capital expenditures for improvements to land or buildings, except with the prior written approval of the Secretary.

§ 683.240 What are the instructions for using real property with Federal equity?

(a) *SESA properties.* Federal equity acquired in real property through grants to States awarded under title III of the Social Security Act or the Wagner-Peyser Act, including State Employment Security Agency (SESA) real property, is transferred to the States that used the grant to acquire such equity.

(1) The portion of any real property that is attributable to the Federal equity transferred under this section must be used to carry out activities authorized under WIOA, title III of the Social Security Act (Unemployment Compensation program), or the Wagner-Peyser Act.

(3) States must not use funds awarded under WIOA, title III of the Social Security Act, or the Wagner-Peyser Act to amortize the costs of real property that is purchased by any State on or after February 15, 2007, the date of enactment of the Revised Continuing Appropriations Resolution, 2007.

20 CFR Ch. V (4–1–21 Edition)

(4) Properties occupied by the Wagner-Peyser Act Employment Service must be colocated with one-stop centers.

(b) *Reed Act-funded properties.* Properties with Reed Act equity may be used for the one-stop service delivery system to the extent that the proportionate share of Reed Act equity is less than or equal to the proportionate share of occupancy by the Unemployment Compensation and Wagner-Peyser Act programs in such properties. When such real property is no longer needed for authorized purposes, the State must request disposition instructions from the Grant Officer prior to disposition or sale. The portion of the proceeds from the disposition or sale of the real property that is attributable to the Reed Act equity must be returned to the State's account in the Unemployment Trust Fund (UTF) and used in accordance with Department-issued guidance.

(c) *Job Training Partnership Act and Workforce Investment Act-funded properties.* Real property that was purchased with WIA funds or that was transferred to WIA now is transferred to the WIOA title I programs and must be used for WIOA purposes. (a) Under sec. 181(e) of WIOA, title I funds must not be spent on employment generating activities, investment in revolving loan funds, capitalization of businesses, investment in contract bidding resource centers, economic development activities, or similar activities, unless they are directly related to training for eligible individuals. For purposes of this prohibition, employer outreach and job development activities are directly related to training for eligible individuals.

(b) 29 CFR part 2, subpart D, governs the circumstances under which Department support, including WIOA title I financial assistance, may be used to employ or train participants in religious activities. Under that subpart, such assistance may be used for such employment or training only when the assistance is provided indirectly within the meaning of the Establishment Clause of the U.S. Constitution, and not when the assistance is provided directly. That subpart also contains requirements related to equal treatment in Department of Labor programs for religious organizations, and to protecting the religious liberty of Department of Labor social service providers and beneficiaries. (29 CFR part 2, subpart D—Equal Treatment in Department of Labor Programs for Religious Organizations, Protection of Religious Liberty of Department of Labor Social Service Providers and Beneficiaries).

(b) *Pre-award review.* To verify that a business establishment which is new or expanding is not, in fact, relocating employment from another area, standardized pre-award review criteria developed by the State must be completed and documented jointly by the local area and the business establishment as a prerequisite to WIOA assistance.

(1) The review must include names under which the establishment does business, including predecessors and successors in interest; the name, title, and address of the company official certifying the information, and whether WIOA assistance is sought in connection with past or impending job losses at other facilities, including a review of whether WARN notices relating to the employer have been filed.

(2) The review may include consultations with labor organizations and others in the affected local area(s).

§ 683.265 What procedures and sanctions apply to violations of this part?

(a) The Grant Officer will promptly review and take appropriate action on alleged violations of the provisions relating to:

§ 683.270 What safeguards are there to ensure that participants in Workforce Innovation and Opportunity Act employment and training activities do not displace other employees?

(a) A participant in a program or activity authorized under title I of WIOA must not displace (including a partial displacement, such as a reduction in the hours of non-overtime work, wages, or employment benefits) any currently employed employee (as of the date of the participation).

(b) A program or activity authorized under title I of WIOA must not impair existing contracts for services or collective bargaining agreements. When a program or activity authorized under title I of WIOA would be inconsistent with a collective bargaining agreement, the appropriate labor organization and employer must provide written concurrence before the program or activity begins.

(c) A participant in a program or activity under title I of WIOA may not be employed in or assigned to a job if:

- (1) Any other individual is on layoff from the same or any substantially equivalent job;
- (2) The employer has terminated the employment of any regular, unsubsidized employee or otherwise caused an involuntary reduction in its workforce with the intention of filling the vacancy so created with the WIOA participant; or

(3) The job is created in a promotional line that infringes in any way on the promotional opportunities of currently employed workers as of the date of the participation.

(d) Regular employees and program participants alleging displacement may file a complaint under the applicable grievance procedures found at § 683.600.

§ 683.275 What wage and labor standards apply to participants in activities under title I of the Workforce Innovation and Opportunity Act?

(a) Individuals in on-the-job training or individuals employed in activities under title I of WIOA must be compensated at the same rates, including periodic increases, as trainees or employees who are similarly situated in similar occupations by the same employer and who have similar training, experience, and skills. Such rates must be in accordance with applicable law, but may not be less than the higher of the rate specified in sec. 6(a)(1) of the Fair Labor Standards Act of 1938 (29 U.S.C. 206(a)(1)) or the applicable State or local minimum wage law.

(b) The reference in paragraph (a) of this section to sec. 6(a)(1) of the Fair Labor Standards Act of 1938 (29 U.S.C. 206(a)(1)) is not applicable for individuals in territorial jurisdictions in which sec. 6(a)(1) of the Fair Labor Standards Act of 1938 (29 U.S.C. 206(a)(1)) does not apply.

§ 683.280 What health and safety standards apply to the working conditions of participants in activities under title I of the Workforce Innovation and Opportunity Act?

(2) If a State workers' compensation law applies to a participant in work experience, workers' compensation benefits must be available for injuries suffered by the participant in such work experience. If a State workers' compensation law does not apply to a participant in work experience, insurance coverage must be secured for injuries suffered by the participant in the course of such work experience.

§ 683.285 What are a recipient's obligations to ensure nondiscrimination and equal opportunity, and what are a recipient's obligations with respect to religious activities?

(a)(1) Recipients, as defined in 29 CFR 37.4, must comply with the nondiscrimination and equal opportunity provisions of WIOA sec. 188 and its implementing regulations, codified at 29 CFR part 38. Under that definition, the term "recipients" includes State and Local WDBs, one-stop operators, service providers, Job Corps contractors, and subrecipients, as well as other types of individuals and entities.

(2) Nondiscrimination and equal opportunity requirements and procedures, including complaint processing and compliance reviews, are governed by the regulations implementing sec. 188 of WIOA, codified at 29 CFR part 38, and are administered and enforced by the Department of Labor Civil Rights Center.

(3) Financial assistance provided under title I of WIOA may be used to meet a recipient's obligation to provide

physical and programmatic accessibility and reasonable accommodation/modification in regard to the WIOA program, as required by sec. 504 of the Rehabilitation Act of 1973, as amended; the Americans with Disabilities Act of 1990, as amended; sec. 188 of WIOA; and the regulations implementing these statutory provisions.

(4) No person may discriminate against an individual who is a participant in a program or activity that receives funds under title I of WIOA, with respect to the terms and conditions affecting, or rights provided to, the individual, solely because of the status of the individual as a participant.

(5) Participation in programs and activities or receiving funds under title I of WIOA must be available to citizens and nationals of the United States, lawfully admitted permanent resident aliens, refugees, asylees, and parolees, and other immigrants authorized by the Secretary of Homeland Security or the Secretary's designee to work in the United States.

(b)(1) Title 29 CFR part 2, subpart D, governs the circumstances under which recipients may use Department support, including WIOA title I and Wagner-Peyser Act financial assistance, to employ or train participants in religious activities. As explained in that subpart, such assistance may be used for such employment or training only when the assistance is provided indirectly within the meaning of the Establishment Clause of the U.S. Constitution, and not when the assistance is provided directly. As explained in that subpart, assistance provided through an Individual Training Account is generally considered indirect, and other mechanisms also may be considered indirect. *See also* § 683.255 and 29 CFR 37.6(f)(1).

(2) Title 29 CFR part 2, subpart D, also contains requirements related to equal treatment of religious organizations in Department of Labor programs, and to protection of religious liberty for Department of Labor social service providers and beneficiaries. Limitations on the employment of participants under WIOA title I to carry out the construction, operation, or maintenance of any part of any facility used or to be used for religious instruc-

tion or as a place of religious worship are described at 29 CFR 37.6(f)(2). *See also* WIOA sec. 188(a)(3).

§ 683.290 Are there salary and bonus restrictions in place for the use of title I of Workforce Innovation and Opportunity Act and Wagner-Peyser Act funds?

(a) No funds available under title I of WIOA or the Wagner-Peyser Act may be used by a recipient or subrecipient of such funds to pay the salary and bonuses of an individual, either as direct costs or indirect costs, at a rate in excess of the annual rate of basic pay prescribed for level II of the Executive Schedule under 5 U.S.C. 5313, which can be found at <https://www.opm.gov/>.

(b) In instances where funds awarded under title I of WIOA or the Wagner-Peyser Act pay only a portion of the salary or bonus, the WIOA title I or Wagner-Peyser Act funds may only be charged for the share of the employee's salary or bonus attributable to the work performed on the WIOA title I or Wagner-Peyser Act grant. That portion cannot exceed the proportional Executive level II rate. The restriction applies to the sum of salaries and bonuses charged as either direct costs or indirect costs under title I of WIOA and the Wagner-Peyser Act.

(c) The limitation described in paragraph (a) of this section will not apply to contractors (as defined in 2 CFR 200.23) providing goods and services. In accordance with 2 CFR 200.330, characteristics indicative of contractor are the following:

- (1) Provides the goods and services within normal business operations;
- (2) Provides similar goods or services to many different purchasers;
- (3) Normally operates in a competitive environment;
- (4) Provides goods or services that are ancillary to the operation of the Federal program; and
- (5) Is not subject to compliance requirements of the Federal program as a result of the agreement, though similar requirements may apply for other reasons.

(d) If a State is a recipient of such funds, the State may establish a lower limit than is provided in paragraph (a) of this section for salaries and bonuses of those receiving salaries and bonuses

from a subrecipient of such funds, taking into account factors including the relative cost of living in the State, the compensation levels for comparable State or local government employees, and the size of the organizations that administer the Federal programs involved.

(e) When an individual is working for the same recipient or subrecipient in multiple offices that are funded by title I of WIOA or the Wagner-Peyser Act, the recipient or subrecipient must ensure that the sum of the individual's salary and bonus does not exceed the prescribed limit in paragraph (a) of this section.

§ 683.295 Is earning of profit allowed under the Workforce Innovation and Opportunity Act?

(a)(1) Under secs. 121(d), 122(a) and 134(b) of WIOA, for-profit entities are eligible to be one-stop operators, service providers, and eligible training providers.

(2) Where for-profit entities are one-stop operators, service providers, and eligible training providers, and those entities are recipients of Federal financial assistance, the recipient or subrecipient and the for-profit entity must follow 2 CFR 200.323.

(b) For programs authorized by other sections of WIOA, 2 CFR 200.400(g) prohibits earning and keeping of profit in Federal financial assistance unless expressly authorized by the terms and conditions of the Federal award.

(c) Income earned by a public or private nonprofit entity may be retained by such entity only if such income is used to continue to carry out the program.

Subpart C—Reporting Requirements

§ 683.300 What are the reporting requirements for programs funded under the Workforce Innovation and Opportunity Act?

(a) *General.* All States and other direct grant recipients must report financial, participant, and other performance data in accordance with instructions issued by the Secretary. Reports, records, plans, or any other data required to be submitted or made

available must, to the extent practicable, be submitted or made available through electronic means. Reports will not be required to be submitted more frequently than quarterly within a time period specified in the reporting instructions.

(b) *Subrecipient reporting.* (1) For the annual eligible training provider performance reports described in § 677.230 of this chapter and local area performance reports described in § 677.205 of this chapter, the State must require the template developed under WIOA sec. 116(d)(1) to be used.

(2) For financial reports and performance reports other than those described in paragraph (b)(1) of this section, a State or other grant recipient may impose different forms or formats, shorter due dates, and more frequent reporting requirements on subrecipients.

(3) If a State intends to impose different reporting requirements on subrecipients, it must describe those reporting requirements in its State WIOA Plan.

(c) *Financial reports.* (1) Each grant recipient must submit financial reports on a quarterly basis.

(2) Local WDBs will submit quarterly financial reports to the Governor.

(3) Each State will submit to the Secretary a summary of the reports submitted to the Governor pursuant to paragraph (c)(2) of this section.

(4) Reports must include cash on hand, obligations, expenditures, any income or profits earned, including such income or profits earned by subrecipients, indirect costs, recipient share of expenditures and any expenditures incurred (such as stand-in costs) by the recipient that are otherwise allowable except for funding limitations.

(5) Reported expenditures, matching funds, and program income, including any profits earned, must be reported on the accrual basis of accounting and cumulative by fiscal year of appropriation. If the recipient's accounting records are not normally kept on the accrual basis of accounting, the recipient must develop accrual information through an analysis of the documentation on hand.

(d) *Performance reports.* (1) States must submit an annual performance report for each of the core workforce programs administered under WIOA as required by sec. 116(d) of WIOA and in accordance with part 677, subpart A, of this chapter.

(2) For all programs authorized under subtitle D of WIOA, each grant recipient must complete reports on performance indicators or goals specified in its grant agreement.

(e) *Due date.* (1) For the core programs, performance reports are due on the date set forth in guidance.

(2) Financial reports and all performance and data reports not described in paragraph (e)(1) of this section are due no later than 45 days after the end of each quarter unless otherwise specified in reporting instructions. Closeout financial reports are required no later than 90 calendar days after the expiration of a period of performance or period of fund availability (whichever comes first) and/or termination of the grant. If required by the terms and conditions of the grant, closeout performance reports are required no later than 90 calendar days after the expiration of a period of performance or period of fund availability (whichever comes first) and/or termination of the grant.

(f) *Format.* All reports whenever practicable should be collected, transmitted, and stored in open and machine readable formats.

(g) *Systems compatibility.* States and grant recipients will develop strategies for aligning data systems based upon guidelines issued by the Secretary of Labor and the Secretary of Education.

(h) *Additional reporting.* At the Grant Officer's or Secretary's discretion, reporting may be required more frequently of its grant recipients. Such requirement is consistent with 2 CFR parts 200 and 2900.

Subpart D—Oversight and Resolution of Findings

§ 683.400 What are the Federal and State monitoring and oversight responsibilities?

(a) The Secretary is authorized to monitor all recipients and subrecipients of all Federal financial assistance

awarded and funds expended under title I of WIOA and the Wagner-Peyser Act to determine compliance with these statutes and Department regulations, and may investigate any matter deemed necessary to determine such compliance. Federal oversight will be conducted primarily at the recipient level.

(b) As funds allow, in each fiscal year, the Secretary also will conduct in-depth reviews in several States, including financial and performance monitoring, to assure that funds are spent in accordance with WIOA and the Wagner-Peyser Act.

(c)(1) Each recipient and subrecipient must monitor grant-supported activities in accordance with 2 CFR part 200.

(2) In the case of grants under secs. 128 and 133 of WIOA, the Governor must develop a State monitoring system that meets the requirements of § 683.410(b). The Governor must monitor Local WDBs and regions annually for compliance with applicable laws and regulations in accordance with the State monitoring system. Monitoring must include an annual review of each local area's compliance with 2 CFR part 200.

(d) Documentation of monitoring, including monitoring reports and audit work papers, conducted under paragraph (c) of this section, along with corrective action plans, must be made available for review upon request of the Secretary, Governor, or a representative of the Federal government authorized to request the information.

§ 683.410 What are the oversight roles and responsibilities of recipients and subrecipients of Federal financial assistance awarded under title I of the Workforce Innovation and Opportunity Act and the Wagner-Peyser Act?

(a) Each recipient and subrecipient of funds under title I of WIOA and under the Wagner-Peyser Act must conduct regular oversight and monitoring of its WIOA and Wagner-Peyser Act program(s) and those of its subrecipients and contractors as required under title I of WIOA and the Wagner-Peyser Act, as well as under 2 CFR part 200, including 2 CFR 200.327, 200.328, 200.330, 200.331, and Department exceptions at 2 CFR part 2900, in order to:

(1) Determine that expenditures have been made against the proper cost categories and within the cost limitations specified in WIOA and the regulations in this part;

(2) Determine whether there is compliance with other provisions of WIOA and the WIOA regulations and other applicable laws and regulations;

(3) Assure compliance with 2 CFR part 200; and

(4) Determine compliance with the nondiscrimination, disability, and equal opportunity requirements of sec. 188 of WIOA, including the Assistive Technology Act of 1998 (29 U.S.C. 3003).

(b) State roles and responsibilities for grants under secs. 128 and 133 of WIOA:

(1) The Governor is responsible for the development of the State monitoring system. The Governor must be able to demonstrate, through a monitoring plan or otherwise, that the State monitoring system meets the requirements of paragraph (b)(2) of this section.

(2) The State monitoring system must:

(i) Provide for annual on-site monitoring reviews of local areas' compliance with 2 CFR part 200, as required by sec. 184(a)(3) of WIOA;

(ii) Ensure that established policies to achieve program performance and outcomes meet the objectives of WIOA and the WIOA regulations;

(iii) Enable the Governor to determine if subrecipients and contractors have demonstrated substantial compliance with WIOA and Wagner-Peyser Act requirements;

(iv) Enable the Governor to determine whether a local plan will be disapproved for failure to make acceptable progress in addressing deficiencies, as required in sec. 108(e) of WIOA; and

(v) Enable the Governor to ensure compliance with the nondiscrimination, disability, and equal opportunity requirements of sec. 188 of WIOA, including the Assistive Technology Act of 1998 (29 U.S.C. 3003).

(3) The State must conduct an annual on-site monitoring review of each local area's compliance with 2 CFR part 200, as required by sec. 184(a)(4) of WIOA.

(4) The Governor must require that prompt corrective action be taken if any substantial violation of standards identified in paragraph (b)(2) or (3) of this section is found.

(5) The Governor must impose the sanctions provided in secs. 184(b)–(c) of WIOA in the event of a subrecipient's failure to take required corrective action required under paragraph (b)(4) of this section.

(6) The Governor may issue additional requirements and instructions to subrecipients on monitoring activities.

(7) The Governor must certify to the Secretary every 2 years that:

(i) The State has implemented 2 CFR part 200;

(ii) The State has monitored local areas to ensure compliance with 2 CFR part 200, including annual certifications and disclosures as outlined in 2 CFR 200.113, Mandatory Disclosures. Failure to do so may result in remedies described under 2 CFR 200.338, including suspension and debarment; and

(iii) The State has taken appropriate corrective action to secure such compliance.

§ 683.420 What procedures apply to the resolution of findings arising from audits, investigations, monitoring, and oversight reviews?

(a) *Resolution of subrecipient-level findings.* (1) The Governor or direct grant recipient is responsible for resolving findings that arise from the monitoring reviews, investigations, other Federal monitoring reviews, and audits (including under 2 CFR part 200) of subrecipients awarded funds through title I of WIOA or the Wagner-Peyser Act.

(i) A State or direct grant recipient must utilize the written monitoring and audit resolution, debt collection and appeal procedures that it uses for other Federal grant programs.

(ii) If a State or direct grant recipient does not have such written procedures, it must prescribe standards and procedures to be used for this grant program.

(2) For subrecipients awarded funds through a recipient of grant funds under subtitle D of title I of WIOA, the direct recipient of the grant funds

must have written monitoring and resolution procedures in place that are consistent with 2 CFR part 200.

(b) *Resolution of State and other direct recipient-level findings.* (1) The Secretary is responsible for resolving findings that arise from Federal audits, monitoring reviews, investigations, incident reports, and audits under 2 CFR part 200 for direct recipients of Federal awards under title I of WIOA and the Wagner-Peyser Act, as amended by WIOA title III.

(2) The Secretary will use the Department audit resolution process, consistent with 2 CFR part 200 (and Department modifications at 2 CFR part 2900), and Grant Officer Resolution provisions of § 683.440, as appropriate.

(3) A final determination issued by a Grant Officer under this process may be appealed to the Department of Labor Office of Administrative Law Judges under the procedures at § 683.800.

(c) *Resolution of nondiscrimination findings.* Findings arising from investigations or reviews conducted under nondiscrimination laws will be resolved in accordance with WIOA sec. 188 of WIOA and the Department of Labor nondiscrimination regulations implementing sec. 188 of WIOA, codified at 29 CFR part 38.

§ 683.430 How does the Secretary resolve investigative and monitoring findings?

(a) As a result of an investigation, on-site visit, other monitoring, or an audit (*i.e.*, Single Audit, OIG Audit, GAO Audit, or other audit), the Secretary will notify the direct recipient of the Federal award of the findings of the investigation and give the direct recipient a period of time (not more than 60 days) to comment and to take appropriate corrective actions.

(1) *Adequate resolution.* The Grant Officer in conjunction with the Federal project officer, reviews the complete file of the monitoring review, monitoring report, or final audit report and the recipient's response and actions under paragraph (a) of this section. The Grant Officer's review takes into account the sanction provisions of secs. 184(b)–(c) of WIOA. If the Grant Officer agrees with the recipient's handling of

the situation, the Grant Officer so notifies the recipient. This notification constitutes final agency action.

(2) *Inadequate resolution.* If the direct recipient's response and actions to resolve the findings are found to be inadequate, the Grant Officer will begin the Grant Officer resolution process under § 683.440.

(b) Audits from 2 CFR part 200 will be resolved through the Grant Officer resolution process, as discussed in § 683.440.

§ 683.440 What is the Grant Officer resolution process?

(a) *General.* When the Grant Officer is dissatisfied with the a recipient's disposition of an audit or other resolution of findings (including those arising out of site visits, incident reports or compliance reviews), or with the recipient's response to findings resulting from investigations or monitoring reports, the initial and final determination process as set forth in this section is used to resolve the matter.

(b) *Initial determination.* The Grant Officer makes an initial determination on the findings for both those matters where there is agreement and those where there is disagreement with the recipient's resolution, including the allowability of questioned costs or activities. This initial determination is based upon the requirements of WIOA, the Wagner-Peyser Act, and applicable regulations, and the terms and conditions of the grants or other agreements under the award.

(c) *Informal resolution.* Except in an emergency situation, when the Secretary invokes the authority described in sec. 184(e) of WIOA, the Grant Officer may not revoke a recipient's grant in whole or in part, nor institute corrective actions or sanctions, without first providing the recipient with an opportunity to present documentation or arguments to resolve informally those matters in dispute contained in the initial determination. The initial determination must provide for an informal resolution period of at least 60 days from issuance of the initial determination. If the matters are resolved informally, the Grant Officer must issue a final determination under paragraph (d) of this section which notifies

the parties in writing of the nature of the resolution and may close the file.

(d) *Final determination.* (1) Upon completion of the informal resolution process, the Grant Officer provides each party with a written final determination by certified mail, return receipt requested. For audits of recipient-level entities and other recipients which receive WIOA funds directly from the Department, ordinarily, the final determination is issued not later than 180 days from the date that the Office of Inspector General (OIG) issues the final approved audit report to the Employment and Training Administration. For audits of subrecipients conducted by the OIG, ordinarily the final determination is issued not later than 360 days from the date the OIG issues the final approved audit report to ETA.

(2) A final determination under this paragraph (d) must:

- (i) Indicate whether efforts to resolve informally matters contained in the initial determination have been unsuccessful;
- (ii) List those matters upon which the parties continue to disagree;
- (iii) List any modifications to the factual findings and conclusions set forth in the initial determination and the rationale for such modifications;
- (iv) Establish a debt, if appropriate;
- (v) Require corrective action, when needed;
- (vi) Determine liability, method of restitution of funds, and sanctions; and
- (vii) Offer an opportunity for a hearing in accordance with § 683.800.

(3) Unless a hearing is requested, a final determination under this paragraph (d) is final agency action and is not subject to further review.

Subpart E—Pay-for-Performance Contract Strategies

§ 683.500 What is a Workforce Innovation and Opportunity Act Pay-for-Performance contract strategy?

(a) A WIOA Pay-for-Performance contract strategy is a specific type of performance-based contract strategy that has four distinct characteristics:

(1) It is a strategy to use WIOA Pay-for-Performance contracts as they are described in § 683.510;

(2) It must include the identification of the workforce development problem and target populations for which a local area will pursue a WIOA Pay-for-Performance contract strategy; the outcomes the local area would hope to achieve through a Pay-for-Performance contract relative to baseline performance; and the acceptable cost to government associated with achieving these outcomes;

(3) It must include a strategy for independently validating the performance outcomes achieved under each contract within the strategy prior to payment occurring; and

(4) It must include a description of how the State or local area will reallocate funds to other activities under the contract strategy in the event a service provider does not achieve performance benchmarks under a WIOA Pay-for-Performance contract.

(b) Prior to the implementation of a WIOA Pay-for-Performance contract strategy, a local area must conduct a feasibility study to determine whether the intervention is suitable for a WIOA Pay-for-Performance contract strategy.

(c) The WIOA Pay-for-Performance contract strategy must be developed in accordance with guidance issued by the Secretary.

§ 683.510 What is a Workforce Innovation and Opportunity Act Pay-for-Performance contract?

(a) *Pay-for-Performance contract.* A WIOA Pay-for-Performance contract is a type of Performance-Based contract.

the service provider based on the achievement of specified levels of performance on the performance outcomes in sec. 116(b)(2)(A) of WIOA for target populations within a defined timetable. Outcomes must be independently validated, as described in paragraph (j) of this section and § 683.500, prior to disbursement of funds.

(f) *Eligible service providers.* WIOA Pay-for-Performance contracts may be entered into with eligible service providers, which may include local or national community-based organizations or intermediaries, community colleges, or other training providers that are eligible under sec. 122 or 123 of WIOA (as appropriate).

(h) *Bonus payments.* WIOA Pay-for-Performance contracts may include bonus payments for the contractor based on achievement of specified levels of performance. Bonus payments for achieving outcomes above and beyond those specified in the contract must be used by the service provider to expand capacity to provide effective training.

(i) *Performance reporting.* Performance outcomes achieved under the WIOA Pay-for-Performance contract, measured against the levels of performance specified in the contract, must be tracked by the local area and reported to the State pursuant to WIOA sec. 116(d)(2)(K) and § 677.160 of this chapter.

(j) *Validation.* WIOA Pay-for-Performance contracts must include independent validation of the contractor's achievement of the performance benchmarks specified in the contract. This validation must be based on high-quality, reliable, and verified data.

(k) *Guidance.* The Secretary may issue additional guidance related to use of WIOA Pay-for-Performance contracts.

§ 683.520 What funds can be used to support Workforce Innovation and Opportunity Act Pay-for-Performance contract strategies?

(a) For WIOA Pay-for-Performance contract strategies providing adult and dislocated worker training services,

funds allocated under secs. 133(b)(2)–(3) of WIOA can be used. For WIOA Pay-for-Performance contract strategies providing youth activities, funds allocated under WIOA sec. 128(b) can be used.

(b) No more than 10 percent of the total local adult and dislocated worker allocations can be reserved and used on the implementation of WIOA Pay-for-Performance contract strategies for adult training services described in sec. 134(c)(3) of WIOA. No more than 10 percent of the local youth allocation can be reserved and used on the implementation of WIOA Pay-for-Performance contract strategies for youth training services and other activities described in secs. 129(c)(2) of WIOA.

§ 683.530 How long are funds used for Workforce Innovation and Opportunity Act Pay-for-Performance contract strategies available?

Section 189(g)(2)(D) of WIOA authorizes funds used for WIOA Pay-for-Performance contract strategies to be available until expended. Under WIOA sec. 3(47)(C), funds that are obligated but not expended due to a contractor not achieving the levels of performance specified in a WIOA Pay-for-Performance contract may be reallocated for further activities related to WIOA Pay-for-Performance contract strategies only. The Secretary will issue additional guidance related to the funds availability and reallocation.

§ 683.540 What is the State's role in assisting local areas in using Workforce Innovation and Opportunity Act Pay-for-Performance contract strategies?

(3) Conduct other activities that comply with limitations on the use of the Governor's Reserve.

(b) Using non-Federal funds, Governors may establish incentives for Local WDBs to implement WIOA Pay-for-Performance contract strategies as described in this subpart.

(c) In the case of a State in which local areas are implementing WIOA Pay-for-Performance contract strategies, the State must:

(1) Collect and report to the Department data on the performance of service providers entering into WIOA Pay-for-Performance contracts, measured against the levels of performance benchmarks specified in the contracts, pursuant to sec. 116(d)(2)(K) of WIOA and § 677.160 of this chapter and in accordance with any additional guidance issued by the Secretary.

(2) Collect and report to the Department State and/or local evaluations of the design and performance of the WIOA Pay-for-Performance contract strategies, and, where possible, the level of satisfaction with the strategies among employers and participants benefiting from the strategies, pursuant to sec. 116(d)(2)(K) of WIOA and § 677.160 of this chapter, and in accordance with any guidance issued by the Secretary.

§ 683.630 What additional appeal processes or systems must a State have for the Workforce Innovation and Opportunity Act program?

(a) Non-designation of local areas:

(1) The State must establish, and include in its State Plan, due process procedures which provide expeditious appeal to the State WDB for a unit of general local government (including a combination of such units) or grant recipient that requests, but is not granted, initial or subsequent designation of an area as a local area under WIOA sec. 106(b)(2) or 106(b)(3) and § 679.250 of this chapter.

(2) These procedures must provide an opportunity for a hearing and prescribe appropriate time limits to ensure prompt resolution of the appeal.

(3) If the appeal to the State WDB does not result in designation, the appellant may request review by the Secretary under § 683.640.

(b) Denial or termination of eligibility as a training provider:

(a) A unit of general local government (including a combination of such units) or grant recipient whose appeal of the denial of a request for initial or subsequent designation as a local area to the State WDB has not resulted in such designation, may appeal the State WDB's denial to the Secretary.

(b) Appeals made under paragraph (a) of this section must be filed no later than 30 days after receipt of written notification of the denial from the State WDB, and must be submitted by certified mail, return receipt requested, to the Secretary, U.S. Department of Labor, 200 Constitution Ave.

NW., Washington, DC 20210, Attention: ASET. A copy of the appeal must be simultaneously provided to the State WDB.

(d) If the Secretary determines that the appellant has met its burden of establishing that it was not accorded procedural rights under the appeal process set forth in the State Plan, or that it meets the requirements for designation in WIOA sec. 106(b)(2) or 106(b)(3) and § 679.250 of this chapter, the Secretary may require that the area be designated as a local area. In making this determination, the Secretary may consider any comments submitted by the State WDB in response to the appeal made under paragraph (a) of this section.

(e) The Secretary must issue a written decision to the Governor and the appellant.

§ 683.650 What procedures apply to the appeals of the Governor's imposition of sanctions for substantial violations or performance failures by a local area?

The appeal must be filed no later than 30 days after receipt of written notification of the revoked plan or imposed reorganization.

Subpart G—Sanctions, Corrective Actions, and Waiver of Liability

§ 683.700 When can the Secretary impose sanctions and corrective actions on recipients and subrecipients of title I Workforce Innovation and Opportunity Act funds?

(a) *Applicability.* (1) Except for actions under WIOA secs. 116 and 188(a) or 29 CFR parts 31, 32, 35, and 38 and 49 CFR part 25, the Grant Officer must use the procedures outlined in § 683.440 before imposing a sanction on, or requiring corrective action by, recipients of funds under title I of WIOA.

(2) To impose a sanction or corrective action for a violation of WIOA sec. 188(a) the Department will use the procedures set forth in 29 CFR part 38.

(3) To impose a sanction or corrective action for a violation of WIOA sec. 116 the Department will use the procedures set forth in part 677 of this chapter.

(b) *States.* When a Grant Officer determines that the Governor has not fulfilled its requirements under 2 CFR part 200, an audit, or a monitoring compliance review set forth at sec. 184(a)(4) of WIOA and § 683.410, or has not taken corrective action to remedy a violation as required by WIOA secs. 184(a)(5) and 184(b)(1), the Grant Officer must require the Governor to impose the necessary corrective actions set forth at WIOA secs. 184(a)(5) and 184(b)(1), or may require repayment of funds under WIOA sec. 184(c). If the

Secretary determines it is necessary to protect the funds or ensure the proper operation of a program or activity, the Secretary may immediately suspend or terminate financial assistance in accordance with WIOA sec. 184(e).

(c) *Local areas.* If the Governor fails to promptly take the actions specified in WIOA sec. 184(b)(1) when it determines that a local area has failed to comply with the requirements described in § 683.720(a), and that the local area has not taken the necessary corrective action, the Grant Officer may impose such actions directly against the local area.

(d) *Direct grant recipients.* When the Grant Officer determines that a direct grant recipient of subtitle D of title I of WIOA has not taken corrective action to remedy a substantial violation as the result of noncompliance with 2 CFR part 200, the Grant Officer may impose sanctions against the grant recipient.

(e) *Subrecipients.* The Grant Officer may impose a sanction directly against a subrecipient, as authorized in WIOA sec. 184(d)(3) and 2 CFR 200.338. In such a case, the Grant Officer will inform the direct grant recipient of the action.

§ 683.710 Who is responsible for funds provided under title I of the Workforce Innovation and Opportunity Act and the Wagner-Peyser Act?

(a) The recipient of the funds is responsible for all funds under its grant(s) awarded under WIOA title I and the Wagner-Peyser Act.

(b)(1) The local government's chief elected official(s) in a local area is liable for any misuse of the WIOA grant funds allocated to the local area under WIOA secs. 128 and 133, unless the chief elected official(s) reaches an agreement with the Governor to bear such liability.

(2) When a local workforce area or region is composed of more than one unit of general local government, the liability of the individual jurisdictions must be specified in a written agreement between the chief elected officials.

(3) When there is a change in the chief elected official(s), the Local WDB is required to inform the new chief elected official(s), in a timely manner, of their responsibilities and liabilities

as well as the need to review and update any written agreements among the chief elected official(s).

(4) The use of a fiscal agent does not relieve the chief elected official, or Governor if designated under paragraph (b)(1) of this section, of responsibility for any misuse of grant funds allocated to the local area under WIOA secs. 128 and 133.

§ 683.720 What actions are required to address the failure of a local area to comply with the applicable uniform administrative provisions?

(a) If, as part of the annual on-site monitoring of local areas, the Governor determines that a local area is not in compliance with 2 CFR part 200, including the failure to make the required disclosures in accordance with 2 CFR 200.113 or the failure to disclose all violations of Federal criminal law involving fraud, bribery or gratuity violations, the Governor must:

(1) Require corrective action to secure prompt compliance; and

(2) Impose the sanctions provided for at WIOA sec. 184(b) if the Governor finds that the local area has failed to take timely corrective action.

(b) An action by the Governor to impose a sanction against a local area, in accordance with this section, may be appealed to the Secretary in accordance with § 683.650.

(c)(1) If the Secretary finds that the Governor has failed to monitor and certify compliance of local areas with the administrative requirements under WIOA sec. 184(a), or that the Governor has failed to take the actions promptly required upon a determination under paragraph (a) of this section, the Secretary must take the action described in § 683.700(b).

(2) If the Governor fails to take the corrective actions required by the Secretary under paragraph (c)(1) of this section, the Secretary may immediately suspend or terminate financial assistance under WIOA sec. 184(e).

§ 683.730 When can the Secretary waive the imposition of sanctions?

(a)(1) A recipient of title I funds may request that the Secretary waive the imposition of sanctions authorized under WIOA sec. 184.

(2) A Grant officer may approve the waiver described in paragraph (a)(1) of this section if the grant officer finds that the recipient has demonstrated substantial compliance with the requirements of WIOA sec. 184(d)(2).

(b)(1) When the debt for which a waiver request was established in a non-Federal resolution proceeding, the resolution report must accompany the waiver request.

(2) When the waiver request is made during the ETA Grant Officer resolution process, the request must be made during the informal resolution period described in § 683.440(c).

(c) A waiver of the recipient's liability must be considered by the Grant Officer only when:

(1) The misexpenditure of WIOA funds occurred at a subrecipient's level;

(2) The misexpenditure was not due to willful disregard of the requirements of title I of WIOA, gross negligence, failure to observe accepted standards of administration, and did not constitute fraud or failure to make the required disclosures in accordance with 2 CFR 200.113 addressing all violations of Federal criminal law involving fraud, bribery or gratuity violations (2 CFR part 180 and 31 U.S.C. 3321)

(3) If fraud did exist, was perpetrated against the recipient/subrecipients, and:

(i) The recipient/subrecipients discovered, investigated, reported, and cooperated in any prosecution of the perpetrator of the fraud; and

(ii) After aggressive debt collection action, it has been documented that further attempts at debt collection from the perpetrator of the fraud would be inappropriate or futile;

(4) The recipient has issued a final determination which disallows the misexpenditure, the recipient's appeal process has been exhausted, and a debt has been established; and

(5) The recipient provides documentation to demonstrate that it has substantially complied with the requirements of WIOA sec. 184(d)(2) and this section.

(d) The recipient will not be released from liability for misspent funds under the determination required by WIOA sec. 184(d) unless the Grant Officer de-

termines that further collection action, either by the recipient or subrecipient(s), would be inappropriate or would prove futile.

§ 683.740 What is the procedure to handle a recipient of title I Workforce Innovation and Opportunity Act funds' request for advance approval of contemplated corrective actions?

(a) The recipient may request advance approval from the Grant Officer for contemplated corrective actions, including debt collection actions, which the recipient plans to initiate or to forego. The recipient's request must include a description and an assessment of all actions taken to collect the misspent funds.

(b) Based on the recipient's request, the Grant Officer may determine that the recipient may forego certain debt collection actions against a subrecipient when:

(1) The subrecipient meets the criteria set forth in WIOA sec. 184(d)(2);

(2) The misexpenditure of funds:

(i) Was not made by that subrecipient but by an entity that received WIOA funds from that subrecipient;

(ii) Was not a violation of WIOA sec. 184(d)(1), did not constitute fraud, or failure to disclose, in a timely manner, all violations of Federal criminal law involving fraud, bribery, or gratuity violations potentially affecting the Federal award; or

(iii) If fraud did exist:

(A) It was perpetrated against the subrecipient;

(B) The subrecipient discovered, investigated, reported, and cooperated in any prosecution of the perpetrator of the fraud; and

(C) After aggressive debt collection action, it has been documented that further attempts at debt collection from the perpetrator of the fraud would be inappropriate or futile;

(3) A determination which disallows the misexpenditure and establishes a debt has been issued at the appropriate level; and,

(4) Further debt collection action by that subrecipient or the recipient would be either inappropriate or futile.

§ 683.750 What procedure must be used for administering the offset/deduction provisions of the Workforce Innovation and Opportunity Act?

(a)(1) For misexpenditures by direct recipients of title I and Wagner-Peyser Act formula funds the Grant Officer may determine that a debt, or a portion thereof, may be offset against amounts that are allotted to the recipient. Recipients must submit a written request for an offset to the Grant Officer. Generally, the Grant Officer will apply the offset against amounts that are available at the recipient level for administrative costs.

(2) The Grant Officer may approve an offset request, under paragraph (a)(1) of this section, if the misexpenditures were not due to willful disregard of the requirements of WIOA and regulations, fraud, gross negligence, failure to observe accepted standards of administration or a pattern of misexpenditure.

(b) For subrecipient misexpenditures that were not due to willful disregard of the requirements of WIOA and regulations, fraud, gross negligence, failure to observe accepted standards of administration or a pattern of misexpenditure, if the Grant Officer has required the State to repay or offset such amount, the State may deduct an amount equal to the misexpenditure from the subrecipient's allocation of the program year after the determination was made. Deductions are to be made from funds reserved for the administrative costs of the local programs involved, as appropriate.

(c) If offset is granted, the debt will not be fully satisfied until the Grant Officer reduces amounts allotted to the recipient by the amount of the misexpenditure.

(d) For recipients of funds under title I and Wagner-Peyser Act funds, a direct recipient may not make a deduction under paragraph (b) of this section until the State has taken appropriate corrective action to ensure full compliance within the local area with regard to appropriate expenditure of WIOA funds.

Subpart H—Administrative Adjudication and Judicial Review

§ 683.800 What actions of the Department may be appealed to the Office of Administrative Law Judges?

(a) An applicant for financial assistance under title I of WIOA who is dissatisfied by a determination not to award Federal financial assistance, in whole or in part, to such applicant; or a recipient, subrecipient, or a contractor against which the Grant Officer has directly imposed a sanction or corrective action under sec. 184 of WIOA, including a sanction against a State under part 677 of this chapter, may appeal to the U.S. Department of Labor, Office of Administrative Law Judges (OALJ) within 21 days of receipt of the final determination.

(b) Failure to request a hearing within 21 days of receipt of the final determination constitutes a waiver of the right to a hearing.

(c) A request for a hearing under this subpart must specifically state those issues or findings in the final determination upon which review is requested. Issues or findings in the final determination not specified for review, or the entire final determination when no hearing has been requested within the 21 days, are considered resolved and not subject to further review. Only alleged violations of WIOA, its regulations, the grant or other agreement under WIOA raised in the final determination and the request for hearing are subject to review.

(d) A request for a hearing must be filed with the Chief Administrative Law Judge, U.S. Department of Labor, in accordance with 29 CFR part 18, with one copy to the Departmental official who issued the determination.

(e) The procedures in this subpart apply in the case of a complainant who has engaged in the alternative dispute resolution process set forth in § 683.840, if neither a settlement was reached nor a decision issued within the 60 days, except that the request for hearing before the OALJ must be filed within 15 days of the conclusion of the 60-day period provided in § 683.840. In addition to including the final determination upon which review is requested, the complainant must include a copy of any

Stipulation of Facts and a brief summary of proceedings.

[81 FR 56410, Aug. 19, 2016, as amended at 86 FR 1779, Jan. 11, 2021]

§ 683.810 What rules of procedure apply to hearings conducted under this subpart?

(a) *Rules of practice and procedure.* The rules of practice and procedure promulgated by the OALJ at subpart A of 29 CFR part 18, govern the conduct of hearings under this subpart. However, a request for hearing under this subpart is not considered a complaint to which the filing of an answer by the Department or a Department agency or official is required. Technical rules of evidence will not apply to hearings conducted pursuant to this part. However, rules or principles designed to assure production of the most credible evidence available and to subject testimony to cross-examination will apply.

(b) *Prehearing procedures.* In all cases, the Administrative Law Judge (ALJ) should encourage the use of prehearing procedures to simplify and clarify facts and issues.

(c) *Subpoenas.* Subpoenas necessary to secure the attendance of witnesses and the production of documents or other items at hearings must be obtained from the ALJ and must be issued under the authority contained in WIOA sec. 183(c), incorporating 15 U.S.C. 49.

(d) *Timely submission of evidence.* The ALJ must not permit the introduction at the hearing of any documentation if it has not been made available for review by the other parties to the proceeding either at the time ordered for any prehearing conference, or, in the absence of such an order, at least 3 weeks prior to the hearing date.

(e) *Burden of production.* The Grant Officer has the burden of production to support her or his decision. This burden is satisfied once the Grant Officer prepares and files an administrative file in support of the decision which must be made part of the record. Thereafter, the party or parties seeking to overturn the Grant Officer's decision has the burden of persuasion.

20 CFR Ch. V (4–1–21 Edition)

§ 683.820 What authority does the Administrative Law Judge have in ordering relief as an outcome of an administrative hearing?

(a) In ordering relief the ALJ has the full authority of the Secretary under WIOA, except as described in paragraph (b) of this section.

(b) In grant selection appeals of awards funded under WIOA title I, subtitle D:

(1) If the Administrative Law Judge rules, under § 683.800, that the appealing organization should have been selected for an award, the matter must be remanded to the Grant Officer. The Grant Officer must, within 10 working days, determine whether the organization continues to meet the requirements of the applicable solicitation, whether the funds which are the subject of the ALJ's decision will be awarded to the organization, and the timing of the award. In making this determination, the Grant Officer must take into account disruption to participants, disruption to grantees, and the operational needs of the program.

(2) If the Administrative Law Judge rules that additional application review is required, the Grant Officer must implement that review and, if a new organization is selected, follow the steps laid out in paragraph (b)(1) of this section to determine whether the grant funds will be awarded to that organization.

(3) In the event that the Grant Officer determines that the funds will not be awarded to the appealing organization for the reasons discussed in paragraph (b)(1) of this section, an organization which does not have an approved Negotiated Indirect Cost Rate Agreement will be awarded its reasonable application preparation costs.

(4) If funds are awarded to the appealing organization, the Grant Officer will notify the current grantee within 10 days. In addition, the appealing organization is not entitled to the full grant amount but only will receive the funds remaining in the grant that have not been obligated by the current grantee through its operation of the grant and its subsequent closeout.

(5) In the event that an organization, other than the appealing organization,

is adversely effected by the Grant Officer's determination upon completion of the additional application review under paragraph (b)(2) of this section, that organization may appeal that decision to the Office of Administrative Law Judges by following the procedures set forth in § 683.800.

(6) Any organization selected and/or funded under WIOA title I, subtitle D, is subject to having its award removed if an ALJ decision so orders. As part of this process, the Grant Officer will provide instructions on transition and closeout to both the newly selected grantee and to the grantee whose position is affected or which is being removed. All awardees must agree to the provisions of this paragraph (b) as a condition of accepting a grant award.

§ 683.830 When will the Administrative Law Judge issue a decision?

(a) The ALJ should render a written decision not later than 90 days after the closing of the record.

(b) The decision of the ALJ constitutes final agency action unless, within 20 days of the decision, a party dissatisfied with the ALJ's decision has filed a petition for review with the Administrative Review Board (ARB) (established under Secretary's Order No. 01-2020), specifically identifying the procedure, fact, law, or policy to which exception is taken, in accordance with 29 CFR part 26. Any exception not specifically raised in the petition is deemed to have been waived. A copy of the petition for review also must be sent to the opposing party and if an applicant or recipient, to the Grant Officer and the Grant Officer's Counsel at the time of filing. Unless the ARB, within 30 days of the filing of the petition for review, notifies the parties that the case has been accepted for review, the decision of the ALJ constitutes final agency action. In any case accepted by the ARB, a decision must be issued by the ARB within 180 days of acceptance. If a decision is not so issued, the decision of the ALJ constitutes final agency action.

[81 FR 56410, Aug. 19, 2016, as amended at 85 FR 13030, Mar. 6, 2020; 85 FR 30616, May 20, 2020; 86 FR 1779, Jan. 11, 2021]

§ 683.840 Is there an alternative dispute resolution process that may be used in place of an Office of Administrative Law Judges hearing?

(a) The parties to a complaint which has been filed according to the requirements of § 683.800 may choose to waive their rights to an administrative hearing before the OALJ. Instead, they may choose to transfer the settlement of their dispute to an individual acceptable to all parties who will conduct an informal review of the stipulated facts and render a decision in accordance with applicable law. A written decision must be issued within 60 days after submission of the matter for informal review.

(b) The waiver of the right to request a hearing before the OALJ described in paragraph (a) of this section will automatically be revoked if a settlement has not been reached or a written decision has not been issued within the 60 days provided in paragraph (a) of this section.

(c) The decision rendered under this informal review process will be treated as a final decision of an Administrative Law Judge under WIOA sec. 186(b).

§ 683.850 Is there judicial review of a final order of the Secretary issued under WIOA?

(a) Any party to a proceeding which resulted in a Secretary's final order under WIOA sec. 186 in which the Secretary awards, declines to award, or only conditionally awards financial assistance or with respect to a corrective action or sanction imposed under WIOA sec. 184 may obtain a review in the United States Court of Appeals having jurisdiction over the applicant or recipient of funds involved, by filing a review petition within 30 days of the issuance of the Secretary's final order in accordance with WIOA sec. 187.

(b) The court has jurisdiction to make and enter a decree affirming, modifying, or setting aside the order of the Secretary, in whole or in part.

(c) No objection to the Secretary's order may be considered by the court unless the objection was specifically urged, in a timely manner, before the Secretary. The review is limited to questions of law, and the findings of

fact of the Secretary are conclusive if supported by substantial evidence.

(d) The judgment of the court is final, subject to certiorari review by the United States Supreme Court.
